Eco Sound News.....

Welcome to the December addition of the "Eco Echo."

Did you know that Eco Sound can provide you and your community product education and in-services? Contact your sales representative for more information.

Eco Sound had a very "fruitful" November with (3) baby girls being born to our distribution staff; Barrett, Donnie and Edgar. Congrats!

Eco Sound would like to wish you Happy Holidays and a prosperous New Year!

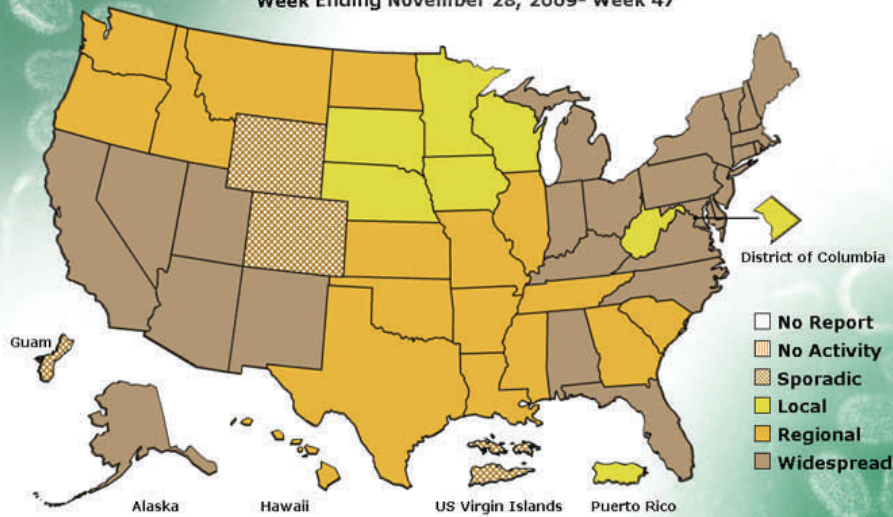

So grab a cup of "Joe" and enjoy reading the "Eco Echo!"

FLUVIEW

A Weekly Influenza Surveillance Report Prepared by the Influenza Division
 Weekly Influenza Activity Estimates Reported by State and Territorial Epidemiologists*
 Week Ending November 28, 2009- Week 47

*This map indicates geographic spread and does not measure the severity of influenza activity.

Each week CDC analyzes information about influenza disease activity in the United States and publishes findings of key flu indicators in a report called [FluView](#). During the week of November 22-28, 2009, influenza activity decreased across all key indicators over the previous week, but most indicators remain higher than normal for this time of year.
